The National High School Musical Theater Awards

The National High School Musical Theater Awards is a national celebration of outstanding student achievement recognizing individual artistry in vocal, dance and acting performance by high school students. The program aims to create a pathway connecting promising young performers to the professional theater industry. The Jimmy™ is named for legendary Broadway theater owner and producer James M. Nederlander.

Timely and far-reaching, the National High School Musical Theater Awards is the culmination of awards programs across the country presented by dozens of professional theater organizations. This year, more than 1,000 schools are represented by our talented participants, each of whom was honored as Best Actress or Best Actor at a regional competition. Prior to tonight’s “Broadway debut,” participants experienced five days of private coaching, master classes and rehearsals with theater professionals in New York. Their week’s journey concludes with a panel of industry experts selecting exceptional students for The Jimmy™ for Best Performance by an Actress or Actor. Students will also receive opportunities for merit scholarships, professional advancement and other prizes.

The National High School Musical Theater Awards was established in 2009 to help invigorate and support in-school theatre arts programs. The program has already been recognized by The National Endowment for the Arts, The Broadway League, The Shubert Organization and other industry organizations and foundations committed to nurturing future artists and audiences.
